

Dear Parent or Legal Guardian:

Thank you for your interest and participation in boating education and safety in Utah. Under Utah's boating law, personal watercraft (PWC) operators, ages 12 through 17, are required to successfully complete a boating education course before they may operate a PWC alone. A registration form for Utah's PWC Education Course accompanies this letter.

- ➡ **Registration forms must be complete. This includes a Social Security Number and a \$12 registration fee for each student.** Incomplete registration forms delay registration and enrollment. When we receive a complete registration form we mail each student a copy of the home-study course manual. A youth must be 12 years of age to register for and complete the course.
- ➡ **Plan ahead! We must receive a complete registration form in our office before we are able to enroll your youth in a class.** Please allow two weeks from the time we receive your registration, until participating in the classroom portion of the course. This gives us time to process your registration, mail the course manual, and enroll your youth into a class.
- ➡ **Each student is expected to study the course manual for approximately 4 to 6 hours prior to attending a class.** The 1.5 to 2-hour classes are scheduled at various locations throughout Utah on an "as needed" basis.
- ➡ **A parent or legal guardian must attend the entire class if their child is 12 through 15 years of age.** We strongly encourage the parent or legal guardian of youth, ages 16 and 17, to also attend. Most parents find the course to be educational and informative.
- ➡ **Each student has one year from their registration date to complete the course.** After that time, a student who has not completed the course must re-register for the course.

The demonstration of operation skills is not a requirement of Utah's PWC Education Course. However, it is your responsibility to determine whether or not your son or daughter is capable of safely and courteously operating a PWC.

Sincerely:

Richard Drolesbeke
Boating Education Coordinator

This education and safety course is required for PWC operators 12 through 17 years of age.

This registration form may be used for up to three persons per family surname. All information fields must be complete, including Social Security Number. **An incomplete form will delay registration and enrollment into a class, and will be returned or held until all information is provided. Plan ahead! A complete registration form must be received at the above address before a student is enrolled into the classroom portion of the course.** A youth must be 12 years old to register and take this course. Each student will have up to one year, from the date their registration is received at the above address, to complete the course without having to re-register for the course.

Utah's Boating Hotline: **801-538-2628** from within the Salt Lake area or, **800-743-3792** from outside the Salt Lake area.
